## Fun Pick-a-Fence

Friday, 22nd August

Course open from 5 p.m.

### INFORMATION & RULES

- ❖ **This is intended as a fun evening. However, ...**
  - ❖ The normal rules of the course will apply and it is assumed that all participants are aware of them and will be bound by them
  - ❖ Body protectors and hats to the current approved standard must be worn when mounted
  - ❖ Fences will be numbered and colour coded as **green (2' & under)**, **blue (2'6" & under)** or **pink (approx. 3')**
  - ❖ Riders will warm up and then attempt their chosen course
  - ❖ The course is pick-a-fence with riders free to move up or down a height at any fence. Riders following the green course are not allowed to jump the pink options.
  - ❖ Leave red flags on the right and white flags on the left
  - ❖ A maximum of 3 attempts may be made at any numbered fence before moving on. You can miss out a fence if you prefer.
  - ❖ **Your conscience is your judge!** There will be no jump judges, no eliminations but also no prizes! We will, however, have a roll of honour – if you have successfully completed all of your chosen course without falling off, having a stop or choosing a smaller option, then add your own and your horse/pony's name to the list
  - ❖ Depending on numbers, it may be possible to have a second round or to return to a problem fence.
-
